

Merative RSNA 2022 Agenda

Sunday 11/27	Monday 11/28	Tuesday 11/29	Thursday 12/1
<p>Panel: AI in Medical Imaging and Healthcare: A Friend or Foe</p> <p>Co-sponsored with TeraRecon</p> <p>Featuring Dr. David Gruen</p> <p>Time: 6-9 pm CST Location: Hyatt Regency McCormick Place</p> <p>Register to attend here</p>	<p>AI Worklist: Intelligent study distribution with automatic study difficulty estimation</p> <p>Time: 9:30-10:30am CST Session ID: MS-SSIN02</p>	<p>Prostate imaging: Comparison of three methods for lesion detection and classification on bi-parametric MRI</p> <p>Time: 9-9:30am CST Session ID: T2-SPGU-3</p>	<p>Prostate imaging: Prostate BP-MRI heatmaps for lesion detection</p> <p>Time: 9:30-10:30am CST Session ID: R3-SSGU7</p>
	<p>Why Technology Matters: The View from the Radiologist's Workspace</p> <p>Presented by Dr. David Gruen</p> <p>Time: 2:30-2:45pm CST Location: AI Theater South Hall</p>	<p>Clinical Review: Evaluation of an AI tool for identifying unreported findings</p> <p>Time: 9:30-10:30am CST Session ID: TBD</p>	
		<p>Prostate imaging: Multi-head deep learning model for the detection of prostate cancer lesions in bi-parametric MRI</p> <p>Time: 12:45-1:15pm CST Session ID: T5B-SPIN</p>	
		<p>Liver imaging: Rigorous comparison of a new fully automated deep learning algorithm for detection of focal liver lesions in abdominal contrast CT with radiologists</p> <p>Time: 1:30-2:30pm CST Session ID: T6-SSGI10</p>	

Find us at these locations all week:

Main Booth
#1311

3D Printing Showcase
#8109

AI Showcase
#5049
